The Cycle Storage Specialists

Avon Shelter

Overview

The Avon shelter is a cost effective solution for covering bikes from the elements. Constructed from 75mm x 75mm x 5mm box section construction with 50mm x 50mm x 3mm box section roof infill steelwork, galvanised and powder coated mild steel, the shelter is strong and simple.

The beauty of the Avon shelter is that it can be custom made to almost any dimensions. Side and front panels can also be included to increase the weather protection. Swing or sliding doors can be easily included if increased security is important. It can also be adapted to cover any 2-tier system.
